OUR NATIONAL ANTHEM.

For those of you that read
our June VetNet Newsletter,
THANK YOU!

Yes, we did a feature about
our American Flag in June to
celebrate Flag Day.

Here we are featuring it again in July - THAT'S HOW IMPORTANT IT IS.

The study of Flags is vexillology. A nation's flag is a portrait of a country's historical past. It's colors and symbols convey the ideas, ambitions, and values of the country. It is a symbol that binds people of a nation together.

Regardless of political views, it is OUR Flag. This is OUR Nation.

We are Americans, we do have rights granted by those that have come before us. We need to remember and respect the millions of Americans that have died to protect us and enabled us to participate and experience America. Nothing and nowhere is perfect on Earth, but in America we have a voice that can be heard.

We salute our Flag on our feet and all that it stands for. Many great leaders, including George Washington said, "I would rather die on my feet, than live on my knees".

Service Spotlight

What We Do Every Day

Grayson, Kentucky

The office had a food giveaway and we were able to give over 52 veterans a full box of food. The organization provided fresh produce, meat, bread, snacks, and non perishable items. "It makes us so happy to be able to service this many

veterans in one day!" One veteran with six children said without Veterans' Outreach that he wouldn't be able to feed his family. The family say their prayers and always thank God for Veterans' Outreach at each meal. No Veteran should go hungry!

Youngstown, Ohio

Fresh Start for Homeless Veteran

A veteran came to us that was homeless, but had begun to turn his life around into a positive direction. He recently secured a job, but was living in his car waiting to get paid and secure a place to live. In the meantime, Veterans' Outreach was able to provide him a hotel, food, and gas to help him through until he gets that first check.

Home Free: A Tribute to the American Veteran

Home Free is a collection of music available through Veterans' Outreach that inspires patriotism. It is the perfect playlist, a tribute to all those that have served. It is not only great to listen during Patriotic Days, but any day when a good shot of patriotism is needed...Like NOW!

Heroes' Passage Project

Veterans' Outreach was donated 110 acres of Kentucky wilderness. Plans are underway to develop Heroes' Passage, a healing environment for post 9/11 veterans

that are having problems with transitioning to civilian life. A place for therapy, job training, and job placement to help each veteran overcome and enjoy a fulfilling life

John Deere donates thousands of face shields to VA hospitals to fight COVID-19

WASHINGTON — The U.S. Department of Veterans Affairs (VA) announced John Deere has shipped 134,600 face shields to 49 VA medical centers in 27 states at no cost in response to the COVID-19 pandemic.

VA's Voluntary Service and John Deere worked to identify VA facilities in need of additional personal protective equipment.

"The department recognizes and appreciates when organizations take it upon themselves to help VA and communities, and these face shields are extremely useful," said VA Secretary Robert Wilkie.

Independence Day

The United States Declaration of Independence is the pronouncement adopted by the Second Continental Congress meeting at the Pennsylvania State House (now known as Independence Hall) in Philadelphia, Pennsylvania, on July 4, 1776. The Declaration explained why the Thirteen Colonies at war with the Kingdom of Great Britain regarded themselves as thirteen independent sovereign states, no longer under British rule. With the Declaration, these new states took a collective first step toward forming the United States of America.

A Moment In History

The Wounded Warrior Project

National Korean War Veterans Armistice Day: July 27.

On National Korean War Veterans Armistice Day, we honor the patriots who defended the Korean Peninsula against the spread of Communism in what became the first major conflict of the Cold War.

Each year, the President of the United States issues a proclamation announcing July 27th as a day of national observance in honor of Korean War veterans and their families.

Every warrior has a next mission. Veterans and service members who incurred a physical or mental injury, illness, or wound while serving in the military on or after September 11, 2001.

They know that the transition to civilian life is a journey. And for every warrior, family member, and caregiver, that journey looks different. They are here for their first step, and each step that follows. Because we believe that every warrior should have a positive future to look forward to. There's always another goal to achieve, another mission to discover. They are their partner in that mission.
