Dear MR. & MRS. ELY

IT HAS BEEN a long year here at NEOCC, an uneventful one, for the Veterans and Associates, and our veterans and associates, -feel bad that we were not able to help our Brother and Sisters, in this time of need during this pandemic. we have been pretty much locked in the Pods through out this pandemic. we were unable to hold any Fundraisers this year, or any other events that may have been able to help. But I would like our partners at the Veterans Outreach to know, that we pray each and every night for your office, your volunteers, and our Veterans. and that we send our love to the Veterans Outreach. Hopefully with Gods grace 2021 will be a brighter year for both of our teams

Respectfully,
The Veterans and Associates
