Happy Independence Day

That is what the 4th of July is all about. How did we get here? What does it all mean?

The 4th of July has always been a day of fireworks and hotdogs. Moreover, it is often portrayed in numerous works of art, from poems to songs and even in films. While it might be one of the most historic events in the U.S., it sometimes loses its real meaning in celebration events. I did some research I'd like to share. Take a refresher, digest a few interesting 4th of July facts for this year's Independence Day recognition.

Service Spotlight

What We Do Everyday

A veteran came to our office very distraught, confused and afraid. He had a couple of strokes, and needed to go into a nursing home for rehab. He is alone in the world, his landlord was not willing to hold his apartment while he was away in rehab, so when he came out he would have no place to live. Veterans' Outreach reached out to the landlord about the situation and paid a portion of his rent. The landlord agreed to maintain his apartment.

A veteran that we've helped over the years that had numerous medical problems and operations. He needed to go to Georgia for an operation. He was able to pay for the airfare but needed help before the operation. We were able to pay for a hotel and provide food for this veteran. We were also able to provide him fresh foods from our Freedom Food Pantry and clothing from our Heroes' Closet.

DONATE NOW to help a veteran in need

We thank all of you that have supported our Mission through your donations, thoughts, and prayers. You made it possible to **help tens of thousands of Veterans** with financial assistance, food, and clothing. Your pledge of support is needed to continue our mission to serve and honor all veterans.

Will you make a small monthly pledge of \$10 or more? This gift can immediately make a difference for a Veteran in need.

News

July 25 is first and foremost a call to action for employers, and unlike some holidays this particular day is recognized and promoted by federal agencies including the Department of Labor and the Department of Veterans Affairs. These agencies annually promote Hire A Veteran Day by encouraging employers to seek out qualified veterans to hire and promote. Veterans bring much to the bargaining table at job application time; dedication, teamwork, an emphasis on good communication, and pride in the work done.

Heroes' Passage

Veterans' Outreach was donated 110 acres of Kentucky wilderness. Plans are underway to develop Heroes' Passage, a healing environment for post 9/11 veterans that are having problems with transitioning to civilian life.

We are working with the Kentucky Department of Veteran Affairs (KDVA) and Morehead State University in the review of the project.

Your generosity over the years has made a real difference.
Your kindness has helped over 100,000 veterans.
